PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Summer Program Ends At School

This week marks the closing of the summer enrichment program at the Canal Point School. This program, sponsored by the Palm Beach County Board of Public Instruction, was under the leadership of Mrs. Mildred Larriek and Mrs. Charlotte Walston. Registration this week reached the 100 mark.

This week will be spent in completing the arts and crafts projects. The girls will finish their pocket books, and the boys their comb holders which are made of leather. The students also made bread baskets from ice cream sticks.

The races had to be postponed due to bad weather. The softball game between Belle Glade and Canal Point schools was played Tuesday and was won by Belle Glade with a score of 13-11.

Yesterday was open house for mothers, with the arts and crafts displayed. Two softball games between Canal Point and South Bay were scheduled to be played this week. Fifteen swimmers will take their tests this week, at the Pahokee pool.

Today will be the last day and the students will participate in the regular schedule and will take their arts and crafts projects home at the close of the session.

Special Meeting Of Council Tonite

A special meeting of the Pahokee city council has been called for 8 o'clock tonight (Friday) at which time the liquor closing hours will come up for another vote.

In a recent election held in Pahokee the citizens by a decisive majority told the council that they favored the 1952 liquor hours.

It was thought that the question would come up at this past Monday night meeting but it failed to materialize. Four councilmen showed up for the meeting but C. R. Wetherington failed to put in an appearance.

Vacation School At Community Bldg.

Because of the Building Program in progress at the Canal Point Baptist Church, the Vacation Bible School will be held in the Community Building.

The dates are August 14, 15, 16, 17, 18, 21, 22, 23. The age limits — 5 through 12. The hours of meeting — 8 a. m. to 11 a. m.

The children of our community are invited to attend. Giving an offering is a part of worship. An offering will be taken daily.

All the money given each day will be given for World-Wide Missions. The commencement program will be on Wednesday Night, August 23, and we urge all the parents and their children to be present.

Mrs. Jim Gifford is to be the Principal of the Vacation Bible School.

District Changes Make 5th Largest

County commissioners for the first time in 15 years have made a major change in their district boundaries.

The major change, made at a recent preliminary precinct revision meeting with Registrar Daniel Gorham, is a geographic one.

It chops District 1-4 off at a north-south line running through 20-Mile Bend and puts everything west of that line in District 5, Commissioner Paul Rardin's Glades district.

Men Can Now Draw S. S. Payment At 62

The age at which men can apply for social security payments has been changed to 62, according to R. C. Gehrken, Jr., Manager of the West Palm Beach Social Security Office.

Until now, men had to be at least 65 before they could make application for payment unless they were disabled. For several years women have been able to claim their social security payments at a reduced amount when they were 62. Men now have the same opportunity. Gehrken stated that a man's payment at 62 would be reduced because he would be getting paid three years earlier. By reducing the amount of payments at age 62, he will get about the same total payments as he would by waiting until 65. A claim must be made before any payments can begin.

If you would like more information about payments for men at 62, get in touch with your social security office at West Palm Beach, or meet a representative of that office who regularly visits Pahokee.

Homes Are Selling Royal Palm Manor

New homes are selling like the proverbial hotcakes in Royal Palm Manor on Bacom Point Road near the city limits, according to the developers—Blanton and Unwin.

Three homes have been completed and sold. Mr. and Mrs. Pete Loreti, Mr. and Mrs. Ed Joiner and Mr. and Mrs. George Mills have already moved into their new homes, Mr. Blanton said this week.

Another home will be completed and ready for occupancy next week he said, when Mr. and Mrs. Douglas Gillis take up residence there.

Alaska Trip Story Told To Local Lions

Ken and Joe Beverly of Ochlocknee, Ga., grandsons of Mr. and Mrs. H. C. Boynton of Canal Point, entertained the Canal Point Lion's Club Monday evening relating some of their experiences during their recent trip to Alaska. The short business session was presided over by J. G. Weeks, president. Since the program chairman for next week is expected to be on vacation, no program has been planned for the next meeting up to date.

New Road Planned With Farmers Help

The county commission this week gave tentative approval for its upcoming budget which will top \$10 million, nearly a million dollars more than last year.

The board will meet again next week to give final approval to the budget and to set the tax levy. The commission was unable to set its millage this week since the tax assessment roll has not yet been finalized.

The board made one change in the advertised budget to allow construction of 2½ miles of farm road in the Glades.

Commissioner Paul Rardin said a group of farmers farming in the area of Ramie Mill Road will give the needed right of way plus putting up \$19,000 to build the road.

The budget was revised to allow for an escrow fund to be established so the county could supervise the project.

Rardin said the new road would open up more than ten sections of farm land.

Abney Cox Names FFVA Committees

The 1961 Convention of the Florida Fruit & Vegetable Association will include several additional events not previously scheduled, including a Golf Tournament and a Fishing Tournament, according to J. Abney Cox, Princeton, Convention Chairman.

A committee has been appointed to supervise the first FFVA Golf Tournament which is scheduled for Tuesday, September 26.

"J. Dan Wright, Sanford, is committee chairman, with committee members J. H. Hatcher, Miami; Andrew Spada, Jr., Tampa; Alvin A. Vokes, Orlando; and Harry E. Warren, Lakeland."

"The Fishing Tournament will be held on Thursday, September 28, with Maxwell W. Wells, Sr., Orlando, as chairman of the committee. Members of the committee are: J. R. Brooks, Homestead; Lewis Friend, Pahokee; Vernon Ramsey, Suffolk, Virginia; and F. W. Walker, Perrine," Cox said.

Other committees named by Cox included C. B. Streetman, Vero Beach, as Registration Committee Chairman and members Hubert Creel, Ft. Myers; Alvin B. Jones, Deerfield Beach; L. A. Masters, Hastings; and W. H. Wynne, McIntosh.

Named to the Reception Committee, with John W. Evans, Oviedo, were: Robert Apelgren, Belle Glade; George P. Banks, Pompano Beach; Luther L. Chandler, Goidis; Sydney O. Chase, Jr., (continued on page 8)

Tom Campbell Dies In WPB, At 81 Years

Thomas J. Campbell, former tax collector of Palm Beach county, died at his home in West Palm Beach Tuesday night at the age of 81 years. He was county tax collector during 1911-1921 and again in 1932-1936. He served as state senator from 1921 to 1925.

Dr. John I. Leonard Passed Away At 75

Dr. John I. Leonard, former superintendent of schools in Palm Beach county, died, at the age of 75 years in a Dade City hospital on the west coast of Florida on Monday of this week.

Dr. Leonard, a Presbyterian, was president of St. Leo College, a Catholic institution near Dade City. He was prominent among educators in Florida during the many years that he served in public office before accepting the presidency of that college four years ago.

Dr. Rex C. Ramsay Is New Pediatrician

A new pediatrician, Dr. Rex C. Ramsay of Miami, will join Dr. F. H. Poteete and Dr. R. L. Hatton at the Poteete-Hatton Clinic on August 1, according to an announcement by Dr. Poteete and Dr. Hatton.

Dr. Ramsay is a native of Arkansas and a graduate of Tulane University. He has served his internship at Variety Children's Hospital in Miami and will come to Pahokee and the Glades with the very highest of recommendations. Dr. Ramsay along with his wife, son and daughter, will live in the Jim Paul Crews house on North Main street until he can complete a new two-story home in Ridgecrest Gardens on Kismet Street.

The Poteete-Hatton Clinic has been undergoing remodeling during the past few weeks making ready for the additional doctor.

Cities And Towns Get Their Tax Cut

The county commission this week ordered that some \$100,000 in state taxes collected within municipalities, be returned to the towns.

West Palm Beach will draw the largest draft—more than \$23,000. Palm Beach is second with some \$21,000.

The amount returned to the municipalities represents half the state tax collected.

Un-Arrange Plans Says Board Motion

Commissioner Paul Rardin, Canal Point, is seldom at a loss for words when it comes to phrasing a county commission motion.

Monday, County Engineer Steve Middleton asked the board if it wanted to invoke a policy which bans the use of the commission room and the auditorium at the county agricultural building for commercial use.

Rardin started to make a motion that the ban be carried out for the agricultural building as well as the commission rooms. Middleton said arrangements for a commercial display had already been made for the Mounts building.

So Commissioner Rardin moved that the county engineer arrange to un-arrange the arrangements.

Roads Get Black Top In The Glades

Thirteen short roads in the Glades area have been blacktopped this week, according to County Commissioner Paul Rardin. The Dixie Asphalt Company of West Palm Beach was low bidder on the work and they have been doing the black-topping this week.

The work started in the Lake Harbor area where two roads received a coating of asphaltic concrete. South Bay came in for its share of the work when Canal Street from the bridge to US27 was revoked. Belle Glade received topping on Ice Plant Road and West Camp Road.

In Pahokee, Larrimore Road was retreaded for its entire length of one mile. In Canal Point old Conners Highway from the bridge east to the intersection of the new road was on the list. The taxiway and road leading into the new airport hangar at Pahokee airport were retreaded. A recently constructed parking work area around the county barn received new surfacing along with several other small jobs in the contract.

Republicans Will Speak To Lions

Members of the Pahokee Lions club will hear the two new Republican members of the Palm Beach County Commission at next Tuesday's meeting. Commissioner Paul Rardin will introduce Commissioner Edward Bandlow of Lake Worth and Commissioner E. F. Van Kessel of Juno Beach.

Mr. Bandlow and Mr. Van Kessel, unseated Democratic Veterans Roy Mitchell and Kenneth Foster in the last general election. Since becoming members of the county board the two new members have left no stone unturned in an effort to familiarize themselves with operation of county government.

Checks Are Mailed To Municipalities

Municipalities in the county will get some welcome mail this week — checks from the county representing each town's share of county road and bridge funds.

County commissioners authorized distribution of the money Monday. Each community gets about half the tax money collected by the county in the community.

West Palm Beach, gripping because it feels it's not getting a fair share of the road money, will receive a check for \$23,002, the highest amount distributed.

Total distribution to municipalities was \$100,491. West Palm Beach gets back 22.8 percent of it.

Other cities shares are: Palm Beach, \$21,364; Boca Raton, \$9,084; Lake Worth, \$8,742; Riviera Beach, \$4,803; Delray Beach, \$8,280; Boynton Beach, \$4,572; Belle Glade, \$1,849, and Pahokee, \$984.

Mr. and Mrs. J. J. Walker of Port Mayaca are on a three weeks vacation, visiting their son and family in Jacksonville and other relatives in Adel and Habira, Ga.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The county commission this week called for a public hearing August 28 on the proposed establishment of a bulkhead line on the west side of Jupiter Island.

The line, according to a proposal asked by the majority of property owners in the area, would extend from State Road 707 to the Martin County Line.

In other actions this week the commission:

Voted to call for bids for a card punch machine for the office of the County Supervisor of Registration to facilitate keeping of voting records.

Heard that developers of Gramercy Park subdivision had decided to build sidewalks in the development. Owners of the property slid in under a deadline requiring subdivision sidewalks, but decided to put in the improvements anyway.

Opened bids for rest room facilities at International Airport.

Authorizing signing of an airport lease for Riggers and Erectors of Florida, Inc., box manufacturers.

Named County Engineer Steve Middleton, County Attorney Harry Johnston and Frank Sakser, county airport director, to meet with FAA officials to work out a plan for construction of an instrument landing system and approach light system for International Airport.

Baptist WMU Meet Held Monday Night

The general meeting of the Canal Point Baptist Church W. M. U. was held in the church Monday evening. Mrs. Charles D. Stewart, president, was in charge of the business session. The program, "Sharing of Possessions for Denominational Advance" was presented by Mrs. W. S. Evans, assisted by Mrs. Stewart, Mrs. S. A. Nall, Mrs. J. L. McCall and Mrs. A. H. Scruggs.

Rev. Frank Bledsoe To Fill Local Pulpit

Rev. and Mrs. Frank Bledsoe and family of Birmingham, Alabama are expected to arrive in Canal Point today and will be the weekend houseguests of his uncle and aunt, Mr. and Mrs. G. T. Echols. Although Rev. Bledsoe is to preach in the Canal Point Baptist Church both of the Sundays during the time the pastor, Rev. Charles D. Stewart is away on vacation, the Bledsoes will make a tour of the State while in Florida.

Mr. and Mrs. Clarence Maxwell of Pahokee were recent visitors with their son and daughter-in-law, Mr. and Mrs. Dale Maxwell in Lowell and visited other relatives in Tallahassee and Chipley.

There is a possibility that it may be some time before the proposed traffic ramps to lighten the load on approaches to Flagler Memorial Bridge are built.

The county commission this week received an appraisal for needed right of way for the ramps and was surprised to learn that the property would cost an estimated \$103,180—just about as much as it would cost to build the approaches.

The West Palm Beach Chamber of Commerce building is sitting in the proposed right of way and it is estimated to cost \$15,680 to move the structure. To raze the present structure and rebuild would cost about twice as much.

Land to the north of the proposed ramp was valued at \$83,500.

The commission gave a collective gulp when it heard the report and voted to pay the appraisers some \$700 for making the study. The board decided the project needed some further study, so no action was taken.

In another right of way item, the board voted to start condemnation proceedings to secure land needed for improvement of Military Trail from Four Points north to Okeechobee Road.

Commissioner Lake Lytal said plans for the road improvements are 95 percent complete and it is necessary to speed up procurement of right of way for the project.

Maxsons Will Visit Florida West Coast

Mr. and Mrs. Charles Maxson of Canal Point are expecting her brother-in-law and sister, Mr. and Mrs. V. L. Berry and children, Greg and Hannah Dee of Jackson, Mississippi to arrive here this weekend for a two weeks visit. The Maxsons plan to spend next week along with their houseguests on the West Coast. The second week will be spent in Canal Point.

Methodist Pastor Moves To New Home

Rev. Robert Shelley, pastor of the Canal Point Methodist Church, drove to Statesboro, Ga., Friday where he joined his wife, Mrs. Shelley and their little daughter, Lisa. They returned to Canal Point Saturday where they spent their first night in the new parsonage.

Mrs. Shelley and her daughter spent the past six weeks in Saltville, W. Va., as guests of both his and her parents; the Shelley's and the Boatwines. The pastor and his family moved in the new parsonage on Third Street in Canal Point upon their return.

Mrs. C. H. Fitchett of Orlando is the houseguest of her sister-in-law, Mrs. C. B. Jones in Canal Point.

Here's what the new $3\frac{1}{2}\%$ interest rate on U.S. Savings Bonds means to you:

\$3 = \$4 *fourteen months faster than before*

The Bonds you own are better than ever, too

The new $3\frac{1}{2}\%$ rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra $\frac{1}{2}\%$ from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

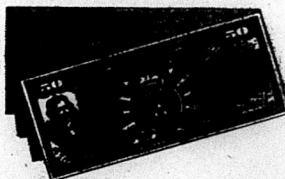

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

March of Dimes Expands Aid for Victims Of Crippling Birth Defects, Arthritis, Polio

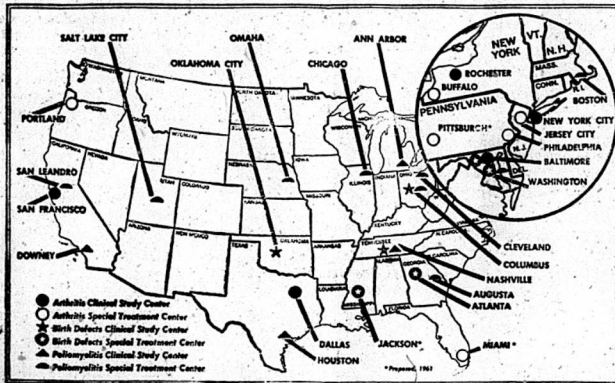

Victims of crippling birth defects and rheumatoid arthritis, among the largest groups of the medically underprivileged in the nation, can soon look for help virtually at their doorsteps, thanks to the March of Dimes.

The National Foundation, supported by March of Dimes funds, has broadened its horizons to give direct aid to children under the age of 19 suffering from all types of birth defects. Aid was previously limited to children with open spine, open skull and water on the brain.

The voluntary health organization has also authorized its 3,100 chapters throughout the United States to use available funds to establish a network of Special Treatment Centers and Evaluation Clinics for birth defects and arthritis. Assistance to polio victims will be continued.

The National Foundation's experience with polio treatment and rehabilitation centers as well as pilot projects conducted in birth defects and arthritis has proved the value of bringing together teams of experts to deal with medical, economic and social problems of chronically disabled patients and their families.

Under the newly expanded program, National Foundation chapters will finance Special

March of Dimes-supported Special Treatment and Clinical Study Centers offering comprehensive care to victims of birth defects, arthritis and polio are expanding throughout U. S.

Treatment Centers at major hospitals in several large cities. These will operate full-time and provide treatment for both in- and outpatients through teams of specialists in the medical and allied professions.

For areas isolated from large medical centers, chapters will finance Special Evaluation Clinics to offer outpatient care only through periodic clinics with visiting medical specialists.

Cases that require more extensive care or hospitalization may be referred through Evaluation Clinics to Special Treatment Centers.

On the national level, March of Dimes funds will continue to support and expand Clinical Study Centers which provide exemplary total care for birth defects, arthritis and polio victims and also conduct research in those diseases.

As the number of centers of

all three types increases, there will be an increase in knowledge and improvement of treatment facilities and techniques to bring closer to reality the control of chronic crippling diseases.

In conducting its vastly expanded patient aid program, The National Foundation will emphasize aid in areas of unmet needs. It will not duplicate assistance already being provided by other agencies.

Ship-Canal Board Named By Bryant

TALLAHASSEE — Governor Farris Bryant named a five man ship-canal authority to supervise construction of the proposed cross-state barge canal.

Randolph Hodges of Cedar Keys will head the group as director of the State Conservation Department and head of its waterways division.

Others named include Henry S. Toland of Tampa; W. Palmer Van Arsdale, Fort Lauderdale; William A. McCree, Orlando; R. Malcolm Forston, Jacksonville; and Henry Saunders of Port St. Joe, former executive of the St. Joe Paper Company.

The authority was named pending congressional allotment of federal funds for the project. Members named will serve for a period of four years.

The proposed barge canal will connect the Gulf and Atlantic and estimated construction costs are around \$200-million.

Governor Bryant has asked the federal government for \$195,000 for planning the project and contends that the canal is of prime importance to Southern economy and the national defense.

VIP Means "Very Important Project"

VIP in the 4-H roster can be found under the heading of Safety, VIP in this case means "very important project." Spelled backwards it could mean "people in vehicles."

Either way, the combination alerts more young people to the importance of safety than does any other 4-H endeavor. Some 900,000 boys and girls are participating in a 4-H safety activity or project in which they help to lessen dangers on highways, farms, in homes and communities, reports the Cooperative Extension Service.

Right now when millions of motorists take to the road for week end outings or long awaited vacations, chances for accidents mount. Motor vehicle accidents top the list, says the National Safety Council. Over the long 4th of July week end, a record number of people died because of accidents.

The death toll among rural people is exceptionally high, according to the safety council. Over the last 10 years, 58,000 rural residents died and two million were injured on the highway. Fatal accidents for the decade increased 26 per cent. Tractor fatalities climbed 50 per cent over the last eight years.

While 4-H Club members represent a small number of the 82 million automobile drivers, they do a commendable job in eliminating driving hazards in their communities the year-round. Members also check for health and recreation hazards, home safety and safe handling of animals, according to the Extension Service which supervises the work.

Martha Joe Allen Has Birthday Party

Mr. and Mrs. Lee Wroten of Pahokee entertained Monday evening with a hamburger fry in honor of her cousin, Martha Joe Allen's 13th birthday anniversary. Among the guests were Sandy and Sherrill Pierce, Eloise Faye and Dotie Elliott and Dale McDale, all of Pahokee, and Glenda Crews of Canal Point.

Miss Mary Ann Ford of Canal Point left Sunday for Camp Kulake (near High Springs) where she is acting as counselor for two weeks period.

Junior Museum Not On Gift List

Palm Beach County Junior Museum at West Palm Beach is going to have to get along without a requested \$5,000 operating fund asked from the County Commission. County Attorney Harry Johnston advised the commission this week that it was without authority to make such a grant. Johnston said an opinion from the State Attorney General noted that the Junior Museum was a non-profit corporation but it appeared to be an educational type facility. The county has no authority to grant funds for this type facility, the attorney general ruled.

State Dairy Record Set By Apopka Head

GAINESVILLE — An Apopka dairy herd owned by A. J. Rustenholz, Jr., has completed the highest yearly milk production average on Dairy Herd Improvement Association test to date.

C. W. Reeves, dairyman with the Florida Agricultural Extension Service, reports the 170-cow herd set up the average of 13,774 pounds of milk, 3.6 percent test and 497 pounds of butterfat on the year's test.

This is 2,310 pounds above the previous high milk average set by Howard Wilson, DeLand, last year. It is also the all-time high herd average in pounds of 4 percent fat-corrected milk.

Reeves says the new state record is a credit to the breeding, feeding and management of the herd.

"Records like this are also a credit to the state," says the dairyman, "and add to the results that let Florida consumers and the rest of the country know that Florida dairymen are doing a good job and making progress in the dairy business."

Rustenholz has pioneered in the growing and full-feeding of cows on various summer and winter forage crops including newer varieties of sorghums, corn and small grains.

Robbie Walker of Jacksonville spent several days in Pahokee last week. He also visited his mother, Mrs. Robert Walker, who underwent surgery last Wednesday in Good Samaritan Hospital in West Palm Beach.

Traffic Bureau Fights New Rates

The final step in the defeat of a \$15,000 per year freight charge increase to Palm Beach County shippers and receivers took place this week. The Palm Beach County Freight Traffic Bureau announced that it has received a notice today, from the Southern Motor Carriers Rate Conference that it is withdrawing the increased rates, which would have raised the freight charges of Palm Beach County merchants and shippers. This amount. Motor carriers announced the withdrawal of the higher rates after the Interstate Commerce Commission suspended the increases. The local Traffic Bureau had petitioned the Interstate Commerce Commission to suspend the higher freight charges.

James W. Lee, director of the County Traffic Bureau, said that the Bureau had been fighting this proposal since carrier rate committees first considered it, last March. Despite this opposition, he said the truckers had scheduled the increase to become effective on June 12, 1961. The higher rates would have assessed an additional arbitrary of 10 percent of the freight charge up to a minimum of \$1.00.

This surcharge would apply on shipments moving between Florida and the Midwest, and Florida and the Southwest.

"When it became apparent that the motor carriers intended to assess these higher charges" Lee said, "the Traffic Bureau referred this matter to the Freight Rate Advisory Committee of the Joint Cooperative Council." The director said that the Advisory Committee, under the chairmanship of J. Lou Care, establishes Traffic Bureau policy. After consideration, the Advisory Committee instructed Lee to file a petition for suspension with the Interstate Commerce Commission.

Lee said that prior to the withdrawal of the increased rates by the carriers, the Interstate Commerce Commission had scheduled a public hearing to be held in Atlanta on September 12, 1961. He explained that the Traffic Bureau was preparing exhibits and would have participated in this hearing if the increased rates had not been withdrawn.

Feud Continues On Chickens - Citrus

TALLAHASSEE — The feud between Georgia and Florida over the poultry inspection tax seems far from solution.

Governor Ernest Vandiver of Georgia states he will not remove the retaliatory inspection tax on Florida citrus unless Florida is willing to meet the following conditions:

1. Remove the inspection fee from first handlers of the poultry in Florida as well as upon out-of-state processors and shippers.
2. Stop requiring individual labeling of each chicken.
3. Accept federal grade inspection places on containers of processed broilers by U. S. inspectors at the Georgia plants instead of requiring labels on each bird.

In a reply to Vandiver, Governor Bryant advised that neither he nor the Commissioner of Agriculture have the authority to make the changes demanded in the opinion of the Attorney General of Florida.

Mr. and Mrs. J. V. Thomas left Saturday to spend the night in Lakeland with Mr. and Mrs. E. G. Kilpatrick. Sunday morning Mrs. Kilpatrick joined her brother-in-law and sister when they left for Marianna, where they were the guests of their father, H. A. Lee and Mrs. Lee.

This citation will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 571): "At all times and under all circumstances, overcome evil with good. Know thyself, and God will supply the wisdom and the occasion for a victory over evil. Clad in the panoply of Love, human hatred cannot reach you." From the Bible will be read this verse from Psalm 84: "Blessed are they that dwell in thy house: they will be still praising thee."

Pleasure Boats Will Be Registered

Director of the Salt Water Division of the State Board of Conservation, announced today that Certificates for registering and re-registering of pleasure boats are now available at all local Tax Collectors Office's in the State. He said that pleasure boat owners will have the month of August to get their new certificates and decal.

The decal will be affixed on the right or starboard side of the boat, either before or after the FL-Number, and will denote that the boat has been properly registered for the next two years.

All pleasure boat owners are reminded that they must at all times carry their registration certificate on board when boating. It is also pointed out that a seller and buyer of pleasure boats must sign the back of the registration certificate before sending it into the department for a transfer.

Mr. Mitts stated that due to the recent legislative session and a delay by printers, it was necessary to move up the registering date to August 1, 1961.

R. H. Hewell of Canal Point was taken ill Tuesday and admitted to Everglades Memorial Hospital on Wednesday.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{2}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

YOU SAVE MORE THAN MONEY WITH U. S. SAVINGS BONDS

Lory Ann Rockwell Weds R. R. Reynolds

The First Methodist Church of Coral Gables was the setting for the wedding of Miss Lory Ann Rockwell to Roland Reynolds, III, on July 11th, at 7:00 P. M., with Mr. and Mrs. E. J. Schmick as attendants. The Rev. J. H. Hanger, pastor, officiated at the double ring ceremony.

Mrs. Reynolds is the daughter of Mrs. Letha Rockwell of Belle Glade, formerly of Pahokee, and the late Mr. Rockwell. She was graduated from Pahokee High School, class of 1957 and from the University of Miami, class of 1961, with a Bachelor of Education degree. She is a member of the Alpha Chi Omega Social Sorority and a member of the University of Miami majorettes.

Mr. Reynolds is the son of Mrs. Elizabeth Clark of Elkton, Maryland. He graduated from Clamont High School, Clamont, Delaware and from the University of Miami, class of 1961, with a degree in music. He is a member of the Phi Mu Alpha fraternity and was a member of the University of Miami band. He is now employed by the Cecil County Board of Education in Perryville, Maryland.

The young couple plan to leave soon for their home in Perryville.

IN VETS HOSPITAL

Mrs. Elmer Maxson of Canal Point and her sister-in-law, Mrs. Tommy Parker of Belle Glade, accompanied their brother-in-law, T. B. Bunnell of West Palm Beach to Coral Gables Veterans' Hospital on Friday where he went for a check-up. He had to remain there as a surgical patient.

WARRANT OFFICER HUGHES

Leland L. Hughes Gets A Promotion

Leland L. Hughes, son of Mr. and Mrs. Dewey P. Hughes of Bryant, of the 123rd Ordnance, CCA, 1st Armored Division, has been recently appointed Warrant Officer-1. Previously a sergeant-first class, this is a four-grade promotion for Mr. Hughes.

Arriving at Fort Hood in May of last year, WO Hughes was assigned to the 17th Infantry and the 545th Ordnance during the Korean Conflict. Prior to his arrival here, he served as an advisor to the Vietnamese Army with a U. S. MAG unit.

He graduated from Pahokee High School in 1950, and has moved in to the officers' quarters at 429 Waskow Avenue, Walker Village, Killeen, Texas with his wife, Marie, and one child. His parents presented him with his first set of bars.

Recently he received a splendid letter of appreciation from his Commanding Officer, Capt. G. A. Lahey.

Williamsons Visit Following Wedding

Mr. and Mrs. Kenneth Earl Williamson are now on their return trip to their home at 2131 West 115th Street, Blue Island, Ill., Saturday, July 22nd at 11:00 A. M. The bride is the former Miss Roberta Anita Sebelius, daughter of Mr. and Mrs. Floyd Ernest Sebelius of Chicago, Ill., and the groom is the son of Mr. and Mrs. Philo Borden Williamson of Canal Point.

Rev. Michael J. Adams performed the double ring ceremony before an altar decorated with baskets of white roses, gladioli and carnations. Gerald Brill, organist, presented a program of beautiful musical music and the traditional wedding marches.

The bride, given in marriage by her father, was beautiful in a waltz-length nylon chiffon gown fashioned with fitted bodice, bateau neckline, three-quarter length sleeves and shirred waistline, attached to a boufant skirt, complete with an all lace jacket. Her fingertip illusion veil fell from a crown of sequins and seed pearls was her only ornament. She carried a cascade bouquet of pink sweetheart roses, stephanotis and mums, centered with a white orchid.

The maid of honor, and only attendant, Miss Eleanor Skvoron, wore a ballerina length periwinkle blue silk organza gown and carried a crescent shaped hand bouquet of tinted blue carnations, white mums and blue bachelor buttons.

Robert Anthony Sebelius, twin brother of the bride, served as Mr. Williamson's best man.

Following the wedding, a reception was held at the home of the bride's parents, 10241 Saint Charles Street.

The bride is a graduate of Calumet High School, Chicago and attended Fenger Junior College, also in Chicago, where she was a member of the Delta Sorority.

The bridegroom is a graduate of Pahokee High School and attended Beverly Business College and Northwestern University in Chicago. He is now employed as an accountant by the Music Corporation of America in Chicago.

Nellie Yeomans To Wed Dale Rosenberg

The marriage of Miss Nellie Mae Yeomans, daughter of Mr. and Mrs. Charley Yeomans to Dale Rosenberg, son of Mrs. Loren Rosenberg, both of Pahokee, and the late Mr. Rosenberg, will take place at the Canal Point Methodist Church on Sunday, August 13th, at high noon, immediately following the morning worship service at the church, with Rev. Robert Shelley, pastor, officiating.

Miss Yeomans has chosen as her maid of honor and only attendant, Miss Ila Mae Smith of Canal Point. Frank Rosenberg will serve as his cousin's best man.

No formal invitations are being issued, but all friends of the couple are invited to attend the ceremony.

LT. STANLEY VISITS

Lt. Millard Stanley of the U. S. A. F., stationed in Los Angeles, Calif., flew to Cape Canaveral for several days last week. While there he came here and spent the week-end with his parents, Mr. and Mrs. M. P. Stanley.

Funeral Services For E. W. Williams

Graveside services for E. W. (Bill) Williams, 62, brother of Mrs. L. V. McClelland of Canal Point, were held Thursday at 4:00 p. m., in Woodlawn Cemetery, West Palm Beach, conducted by Memorial Lodge No. 26, F. and A. M.

Mr. Williams died Sunday morning in Panama City. He went to Panama City from West Palm Beach. While in West Palm Beach he worked for Alfalfa Creamery Company. He was a veteran of World War I and a member of Parker Lodge 142, F. and A. M., Parker, Florida.

Survivors, beside Mrs. McClelland, are one son, Robert Williams, West Palm Beach, two daughters, Mrs. F. Q. Williams, Rock Island, Ill., Mrs. Malone Saunders, Panama City and his mother, Mrs. S. J. Williams, Panama City.

Ronnie Hitchcock of Canal Point left Saturday by plane for Denver, Colorado where he has signed up to play professional football with the Broncos.
